

Tuesday 4th June

Dear Parents/Carers,

Your child, _____, has been selected to attend a robotics workshop on **Thursday 20th June**.

This session will be led by 3 Yr10 pupils from St Christopher School, Letchworth Garden City, along with their Head of Computer Science, Adam Eldin. These pupils form part of their school robotics team, 'St Chris Snowflakes', who recently won the UK Championship in robotics, making them eligible for the World Championships in Detroit where they picked up the very prestigious Judges Award.

During the workshop, there will be a short presentation, using a robot, followed by two critical thinking activities using Mindstorms (mini lego robots).

The session will be held in 5PT beginning at 3:20pm and ending at 4pm. Children can be collected from the school office at 4pm.

If your child is interested in participating in this workshop, please complete the permission slip below and return to Mrs Penfold (via your child's teacher) by **Friday 7th June**.

Thank you in advance for your support.

Mrs Penfold
Computing Lead

Robotics workshop – Thursday 20th June
Return to Mrs Penfold by Friday 7th June

My child will / will not be attending the robotics workshop.

Child's Name: _____

Class: _____
