Thursday 28th February 2019

Dear Parents and Carers,

We are writing to make you aware of a global online safety concern. This ‘online game’ has been talked about on both our KS1 and KS2 playgrounds and in some classrooms. Whilst we do not want to alarm or scare the children (or panic you), it is important that you, as parents, are aware of these potential ‘threats’ to online safety so that you can support your child to be safe on devices and stay informed. On the back of this letter is a parent factsheet about this game. Facebook has now banned these links from its site but it is still being seen (inserted into videos/games) such as YoutubeKids within cartoons (such as Peppa Pig) and in games like: Fortnite. This means that your child may come across it accidentally, on what you may have previously judged to be a ‘safe site/game’.

We will endeavor to update you with any further online concerns. Please do send through any information/updates regarding online safety via our school admin account.

Kind regards,

Helen Turner and Claire Penfold
Headteacher and Computing Subject Leader
