Friday 12th February 2021

I hope you are all keeping safe and well.

Thank you for embracing the Remote Learning and engaging with it so well. We fully appreciate how hard everyone is working and how many plates are being spun simultaneously, whilst keeping everyone safe and happy during a pandemic – which, as parents, has to be our priority.

Thank you for supporting your children's learning elsewhere. We all know that learning is not just happening on Google Classroom, Purple Mash or Tapestry, it's everywhere.

Thank you for engaging with our well-being calls. We hope they never come at an inconvenient time. The staff have absolutely loved talking to the children, and you too. There has been so much impact from these calls whether it's been about connection with someone from school; logging on to our remote platforms; uploading work or providing Chrome books. And in many cases the biggest impact has simply been being a listening ear or sharing a joke.

Thank you for supporting your children in remaining connected to school through Zoom assemblies and Google Meets. These have been so important as another avenue of feeling part of the school and basically, still together. The staff involved have loved them as we miss having a school full of children. Watch out after half term as Google Meets are being rolled out to all year groups.

Thank you for your feedback via your well-being calls or direct communication with us at school. It is always lovely to receive your positive comments, but it is equally important for us to hear your comments which help us improve any aspect of life at Lodge Farm.

And finally...

Thank you for being an invaluable part of the Lodge Farm Team.

Have a good half term away from screens and away from the pressures of remote learning. I hope you get to spend some quality time together and I sincerely hope we see you all again in the not too distant future.

With kindest regards

Helen Turner
