## **How Proud are we?**

**Well done** to those children in Years 5 and 6 who braved the cold and wet weather last week to complete their Bikeability training. We could all see and hear how much you enjoyed it and how much you learnt from the training. We are hoping to rearrange some more training during the summer term for those children who are interested.

**Thank you** to the wonderful Year 6 children who have been showing prospective families around Lodge Farm. Not surprisingly, they proved themselves to be confident and articulate tour guides. Well done everyone. We have received so many lovely comments.

**Thank you** to our Junior Leadership Team (JLT) for organising the Favourite Colour Day on Friday. It was great to see the school looking so colourful.

## **Parents Consultations**

We had a very high attendance for our recent meetings – 96%. Thank you very much to all of you who attended and we trust that you found the conversations informative with regards to your children's learning at school and how you can support them at home. For those of you who did not attend, please contact the office to arrange a more convenient time. It would be superb, if we achieved 100% attendance.

## **Family Support Worker**

Just a reminder...Mrs Buckley, our Family Support Worker, will be available every morning from 8.45 – 9.15 for any informal chat you may wish to have. If you would like to drop in for a quick chat, she will be located in the main reception area by the front office. If you would prefer a longer conversation, then please do not hesitate to contact the school to arrange this.

## **Live Kitchen**

We would like to extend a **big thank you** to all of the parents who have registered and are now pre-ordering their children's meals. It has really ensured that the new system has very few hiccups.

There are a few families who have not yet registered. If you do have any problems with this, then please do not hesitate to contact the office who will be pleased to provide assistance. Please note that jacket potatoes will be served to those children who have not pre-ordered.

## **Nursery Applications 2020**

If you have a younger sibling who will be ready to join our Nursery in September 2020, please contact the office. The admission process has changed and we can start offering places from now. Our loyalty lies with our existing families and we do not want any of you to miss out. If we have not heard from you by **Wednesday 4<sup>th</sup> December**, we will be formally offering places to other families in the area.

## **Friday 6<sup>th</sup> December – Christmas Activities**

Following the success of our recent Autumnal morning, please join us for some Christmas Activities on Friday 6<sup>th</sup> December 9.15 – 10.30. Once you have dropped your children off, please feel free to come to the office and wait in our dining areas where tea and coffee will be served. Once registration is complete, you will be able to join your children for some Christmas Fun!
