<p>*Listen to the story of 'The Colour Monster' and his mixed up emotions by Anna Llenas.  <a href="https://www.youtube.com/watch?v=PWujGPb6mqo&amp;">https://www.youtube.com/watch?v=PWujGPb6mqo&amp;</a>          *Which emotion do you think the pink represents at the end of the story? What might purple or orange be?          *List as many different feeling words as you can and add the colours that you think of for these emotions.          *Link to PSHE- Write sentences about what makes you feel these different emotions.</p>	<p>*Use the targets you have made (see Art/DT activity) to practise your subtraction. How many targets can you knock down with a ball, beanbag or similar? How many are left? Record your calculations. E.g. If you knocked 6 down you would write <math>10-6=4</math>          *Play the subtraction to 10 activity at:  <a href="https://www.topmarks.co.uk/subtraction/subtraction-to-10">https://www.topmarks.co.uk/subtraction/subtraction-to-10</a>          *For an extra challenge, you could try quick fire subtractions! <a href="https://www.arcademics.com/games/mission">https://www.arcademics.com/games/mission</a></p>	<p>*Take a close look at yourself in a mirror and then look carefully at a member of your family. How are you similar? How are you different? Think about your appearance. Do you have the same eye colour or hair colour? Do you both wear glasses? Do you both have dimples? Etc. Split a page in half and make a list of similarities and differences.          *Talk about likes and dislikes with your chosen family member, such as foods, activities etc. What are the similarities and differences there? Add to your lists.</p>

<p>*Watch the Storybots Super Songs episode on 'Emotions' and talk about how these emotions feel:  <a href="https://www.youtube.com/watch?v=akTRWJZMks0">https://www.youtube.com/watch?v=akTRWJZMks0</a>          *In this episode, it talks about the emotions of being happy, sad, grumpy, feeling love and feeling silly! Choose one or more of the emotions to illustrate and write a sentence about. E.g. 'I feel grumpy when...'. (Link to English activity).          Talk to your grown up about how you are feeling each day.</p>	<p>*Complete the activities set on Purple Mash. (You will find these saved in your '2Do's' folder):          -Subtraction to 20 (Remember to use your number line to help count back).          -Draw faces to show four different feelings: happy, sad, angry and scared.          -Draw a picture of your best friend and write about why they are special. (See History/ Geography activity).          -Phonics Phase 3- using j,v,w and x in words.</p>	<p>*Join in with the 'Believe' dance routine on Supermovers:  <a href="https://www.bbc.co.uk/teach/supermovers/ks1-pshe-believe-with-naomi-wilkinson/zjchd6f">https://www.bbc.co.uk/teach/supermovers/ks1-pshe-believe-with-naomi-wilkinson/zjchd6f</a>          *Join in with the Zumba routine for 'Friend like me' from 'Aladdin'.  <a href="https://www.youtube.com/watch?v=Rmk5_96Gb38">https://www.youtube.com/watch?v=Rmk5_96Gb38</a>          *Continue practising your fine motor skills. Practise forming your letters and numerals correctly. Remember to think about where they start and finish.</p>

<p>*The 8<sup>th</sup> June is recognised by lots of countries each year as 'National Best Friends Day'. It's a time to think about our friends and why they are special to us. Draw a picture of your best friend and write about why they are special. (Purple Mash task).          *The Queen has two birthday celebrations each year! Her official birthday celebrations take place on the second Saturday in June, which this year is on the 13<sup>th</sup>. Find out more at: <a href="https://www.bbc.co.uk/newsround/36489213">https://www.bbc.co.uk/newsround/36489213</a>          *Have your own Royal Birthday celebrations on Saturday!</p>	<p>*Everyone is different and unique which is what makes our world so special. Sometimes people believe in different things and that is ok as long as everyone respects and cares for each other. Sometimes people forget to think about others and may say or do unkind things. Can you make a poster to remind people to be kind and of how special we all are when we work together?</p>  	<p>*Draw, paint or make your own colour monster!</p>  <p>*Make a set of 10 targets to be used for the maths subtraction activity. You could use cardboard boxes, tubes, plastic pots, bottles etc. You could decorate your targets with numbers, letters, colours, patterns or pictures!</p>

Developing children's use and understanding of new vocabulary is so important at all ages. To support our children with this, we would like to introduce a new 'Word of the Week' as part of our home learning activities. Please see the attached sheet for this week's word.
