 English	 Maths	 Science
<p>Write 5 sentences about what people/pets are doing in your house now. E.g. Dad is making breakfast in the kitchen. Next put all these sentences in to past tense. E.g. Dad made breakfast in the kitchen.</p> <p>Check for tasks on https://edu.google.com/intl/en-GB/products/classroom/?modal_active=none</p>	<ul style="list-style-type: none">• Practise measuring the length of small objects around your house such as a pen, a book or a toy car. Before you measure it try and estimate first. How would you measure a curved object like a banana?• https://www.youtube.com/watch?v=tuBLuIW1U70• Check for tasks on https://edu.google.com/intl/en-GB/products/classroom/?modal_active=none	<ul style="list-style-type: none">• Make 5 ice cubes. Place each one in a similar pot and place them in 5 different places around the house and outside. Keep an eye on them and time how long it takes for each to completely melt. What did you notice? Where did it melt the fastest? Where did it take longest to melt? Why do you think that is?
 PSHE / Citizenship	 Computing	 P.E
<ul style="list-style-type: none">• How have you changed since you were born? Make a table to say what you were like when you were one and what you are like now. Look at photos to help you.	<p>Make a list or draw of all the types of technology you have in your home. Remember its not just computers, its anything that uses electricity to help you!</p>	<p>If you have a skipping rope log on to skipping Dan to help you practise getting better!</p> <p>https://www.youtube.com/watch?v=OKu5s-2RyiQ</p>
