<p>Write another 5 sentences about something that is happening in your house. E.g. Tommy is watching his favourite film. Next change each sentence into the future tense so that something is going to happen. E.g. Tommy will watch his favourite film. Check for tasks on https://edu.google.com/intl/en-GB/products/classroom/?modal_active=none</p>	<ul style="list-style-type: none">• Find five objects from your house that you can pick up. Feel how heavy they are and put them in order of weight. Ask someone else in the house to do the same. Do you both agree? If you have scales you could find out how heavy they are and see if you were right.• Check for tasks on https://edu.google.com/intl/en-GB/products/classroom/?modal_active=none	<ul style="list-style-type: none">• Make another 5 ice cubes. Wrap one in cling film/plastic, wrap one in kitchen towel, wrap one in foil, wrap one in a sock, wrap one in paper and leave the last one without a wrapper. Put each in a similar pot but put them all in the same place. Predict what you think will happen. Were you right? Try to explain what happened. https://www.youtube.com/watch?v=64caX8eWFg
