Dear Parent / Carers

Yesterday I met with a representative from Land and Wave and I am sure that the children will have an amazing time when they go camping in June. I asked lots of questions about the site and was impressed by all of the facilities available and the health and safety procedures put in place.

I was also given a provisional itinerary for the week (including: archery, raft building, paddle boarding and coasteering) and as many of the activities are water based, Land and Wave require permission from the guardians of each pupil going, before they can take part. Therefore, I require the ‘Multi-Activity Consent Form’ to be completed, signed and returned by March 1<sup>st</sup>, so I can finalise a programme of activities.

Please could you state in the ‘Medical Information’ box a brief outline of any conditions we may need to be aware of, as we will send out a detailed medical form nearer the time. Could you also state how confident your child is in water – how well can they swim?  
In addition, could you also state if they have any dietary requirements.

Kind regards

Kim Swash
