Dear Parents/Carers

On Thursday 31st January 2019 our class will be given the opportunity to enjoy a workshop run by SETPOINT Hertfordshire around the topic of “Materials” which is part of their science topic for the term. The children will be looking at a range of activities from ‘feely bags’, sorting rings, rubbish eating monsters and predicting which fabric is suitable for one of the three little pigs window.

SETPPOINT is an educational charity with over 30 years’ experience delivering workshops to primary and secondary schools. We are asking for voluntary donations of £4 per child to cover the expenses. Please note, if we do not receive the contributions, the workshop will have to be cancelled. These workshops are thoroughly enjoyed by all children participating and are fantastic springboards in furthering children’s scientific knowledge and skills. To ensure the children get the most out of the session, adult help would be much appreciated so please let us know as soon as possible if you would like to come in and take part.

There is a slip below which can be returned with the payment and a space to indicate if you are able to help.

Regards,

Year 1 Team

Child’s Name _____

I wish/don’t wish to contribute £4 to cover the costs of the course.

I am able/unable to help on the day of the session
