

School Closure: Library resources

Libraries can form a cornerstone in our society- ensuring that reading material, and so much more these days, is accessible for everyone for free whilst also providing a quiet sanctuary in which to explore them.

Please explore the links below which provide a huge range of online services that libraries are currently providing. Although many of these are not our local library, they are free for all to access.

- Stevenage library: You can sign up for membership online. You can then access a range of e-books, magazines and audio books.
- Rhyme time: Lots of singing opportunities for our younger learners.
